

I am writing this letter to express my full endorsement for Chris Pequin's nomination to become the next Conservative candidate representative for the Similkameen South Okanagan West Kootenay. Over the course of Chris' involvement in community and political spheres, I have observed his unwavering commitment to the core values that define our party: fiscal responsibility, individual freedom, and the promotion of a strong, united Canada.

Chris' values and commitment to the well being of children and families is commendable and align closely with my own principles. He has demonstrated a clear stance on issues like protecting life, safeguarding our national sovereignty, and advocating for policies that strengthen family units – principles that resonate deeply with many Canadians, including myself and a significant portion of the Conservative base.

Chris is an active member of our conservative family and has actively participated in past policy conventions, door knocking, working on various election campaigns, and showing a genuine interest in grassroots politics and a commitment to representing the voices of everyday Canadians in Ottawa.

I whole-heartedly endorse Chris' nomination application. I truly believe that he will represent our party, and more importantly, the Canadian people with integrity, vision, and determination.

Sincerely,

**Leslyn Lewis, M.P.**
